MARCH 2018

## VOLUNTEER HELP NEEDED

IN MAY, HDE WILL HAVE TWO VACANCIES ON OUR BOARD OF DIRECTORS.

At this time we don't know of anyone who wants to be nominated. Unless this changes, there will be only three Board members after the Annual Meeting, May 19th. Two more are needed, and other volunteers as well, to maintain our water system, roads and other necessary work. Without enough volunteers, water system maintenance would need to be done by a for-profit company. Road maintenance and other work may not be done when needed or at all.

We are asking each of you to consider helping. Board meetings are the 3rd Tuesday of each month at 6:30 pm, HDE office, 4488 SE Jerry Drive, or contact a Board member for more information. No experience is required; the work is interesting and working together with fellow residents of our community can be satisfying. The work can be divided so it is not more than any one person has time for. We ask everyone who lives here to give it some thought. At \$45 a month our water rates/assessments are extremely low. This can only continue with ongoing help from members of our community.

Please call one of us if you need to confirm the Annual Business Meeting date or a Board Meeting date/time.

## Homeowner Complaint

A couple of our homeowners have complained to the Board about dog owners who are not cleaning up after their dogs when walking about the neighborhood.

Please be considerate of your neighbors and carry some means of removing the "deposits" your dogs make while accompanying you around the neighborhood. Aside from the fact that it is disrespectful of your neighbors to leave things behind on their property, the CDC has published information about the harmful effects of doing this.

Quoting from the CDC's web page, "The most common diseases associated with dogs that can cause human illness are:"

### **Campylobacteriosis**

### **Dog Tapeworm**

### **Hookworm**

### **Rabies**

### **Roundworm**

and a host of other diseases

Your dog can contract any of these diseases from the stool of another dog, or if your dog is infected, can pass it on to your neighbor's dog.

**Please be considerate of your neighbors**

### BOARD MEETINGS

**The meeting time is the 3<sup>rd</sup> Tuesday of the month, still at the usual time and place:**

**6:30 PM at the HDE office, as posted on the HDE website.**

All HDE residents are welcome to attend our Board meetings. Call one of us to confirm.
