**Notes from the President:** Tri County Paving has completed the crack sealing on our roads. Thank you all for watching out for them while the work was being done.

There are still speeding complaints coming in. Please watch your speed. The speed limit in our HOA is 25 mph. Winter and snow are coming and remember, driving slow keeps us all safe.

Burning restrictions have been lifted but remember to call the Burn Line first at 541-447-2876.

**Notes from the Water Committee:** The annual back flow testing is done. There were a few back flow preventers that need repair and retested. Owners will be notified in person or by mail.

**HOA Monthly Board Meeting:** There will be no November Board meeting. Our next regular board meeting will take place at the HOA office, 5980, SE Jerry Drive on Tuesday, December 13, 2022, at 6:00 p.m.
