Notes from the President:

The road grader was not able to complete the plowing of both sides of some roads in this last snow storm in December in the HOA due to equipment failure. Every attempt to keep the roads plowed will be made. The plowing is done by a member of the HOA on a volunteer basis. All of our road work is the responsibility of High Desert Estates, not Crook County.

We have a website that needs a new webmaster. If anyone would like to volunteer to be the new webmaster, please call the office number shown above and leave a message, and someone will return your call. New ideas for the website are welcomed!

Notes from the Newsletter Editor:

In the November 2022 issue of the newsletter, I stated that “Make sure the insulation is on the water meters and back flow preventers.” Water meters belong to the HOA and back flow preventers belong to the home owners. Even though the water meters belong to the HOA, it would benefit the home owners to make sure they are insulated because if pipes freeze, it is the home owner that is without water, not the HOA.

As we all know, the road within the HOA can get pretty icy. Please be very careful when driving in the bad weather. We do not want anyone to get hurt because of the road conditions.

Events around Prineville and Vicinity:

February 17, Oregon Winter Fest @ Deschutes County Expo Center.

February 18-19, Gun & knife show @ Deschutes County Fair Grounds.

February 18, 10:00 am – Rim Rock Riders, 3 Man Sorting @ 17037 Alfalfa Rd., Powell Butte.

HOA Monthly Board Meeting:

Tuesday, January 10, 2023 at 6:00 p.m. at the HOA office, 5980, SE Jerry Drive.

Volunteer...Your help makes a Difference, is Needed, and is Truly Valued! Thank You.
